

There is no greater love than
the love from the Divine
God of all. No matter what
form God may take in your
world, God is the greatest
expression of love, because
to understand and to
love beyond doubt, is the
only way for the warrior
on earth.

As I share these
words with you and
those that read them,
I do so knowing that
what you seek, your
ultimate quest, is

God's gift to you. Allow
God into your heart and
your soul will grow
with the seeds of everything
When you hear my words,
do you find yourself
lost in the meaning of
them? Do you struggle
to perceive the life
expectation? Good. That
is because I have over-
exposed my point to
you. God isn't a
person. It's a force
that governs everything
like gravity does on

earth. You cannot exist
without God, as you
cannot live on earth
without gravity.

So when my words
suggest that the love
of God is the ultimate
love, then loving yourself
is the way to the light.
You have God within
you. The force of
everything good is
present in you. Awareness
of this power, this
force, this all, is
how you grow.

As these words are I send
onto your mind, they are
met with confusion.

You are struggling to
understand them.

Then I challenge you
to read them over
more when I've finished
talking to you
perhaps you'll get
my message.

This is all about
a purpose. A purpose
to live and a reason
to believe.

I fear you want me to abandon this session because you don't understand what I'm saying to you.

If you don't understand would that not suggest you have some learning to do on this topic?

I apologise for your lack of understanding and I apologise for not recognising that this message is one too much for you. That is my fault.

Good day.

YES I DID ASK TO END THIS SESSION.
I DID NOT UNDERSTAND WHAT THE
MESSAGE WAS AND I FOUND
MYSELF CONFUSED WITH THE WORDS
I WAS ASKED TO WRITE. IT
SEEMED MUDDLED AND UNCLEAR.
I'M WRITING THESE ADDITIONAL
NOTES AFTER THE SESSION
ENDED BECAUSE I DID
READ THE WORDS AGAIN AFTER
AND I NOW CONFESS I
HAD NOT REALIZED HOW
MEANINGFUL THEY ACTUALLY
WERE. SO I APOLOGISE TO
THE SPEAKER AND HOPE
HE/SHE RECONNECTS AGAIN SOON.
